

Il Project Management nell'Associazione Italiana Ingegneri Clinici

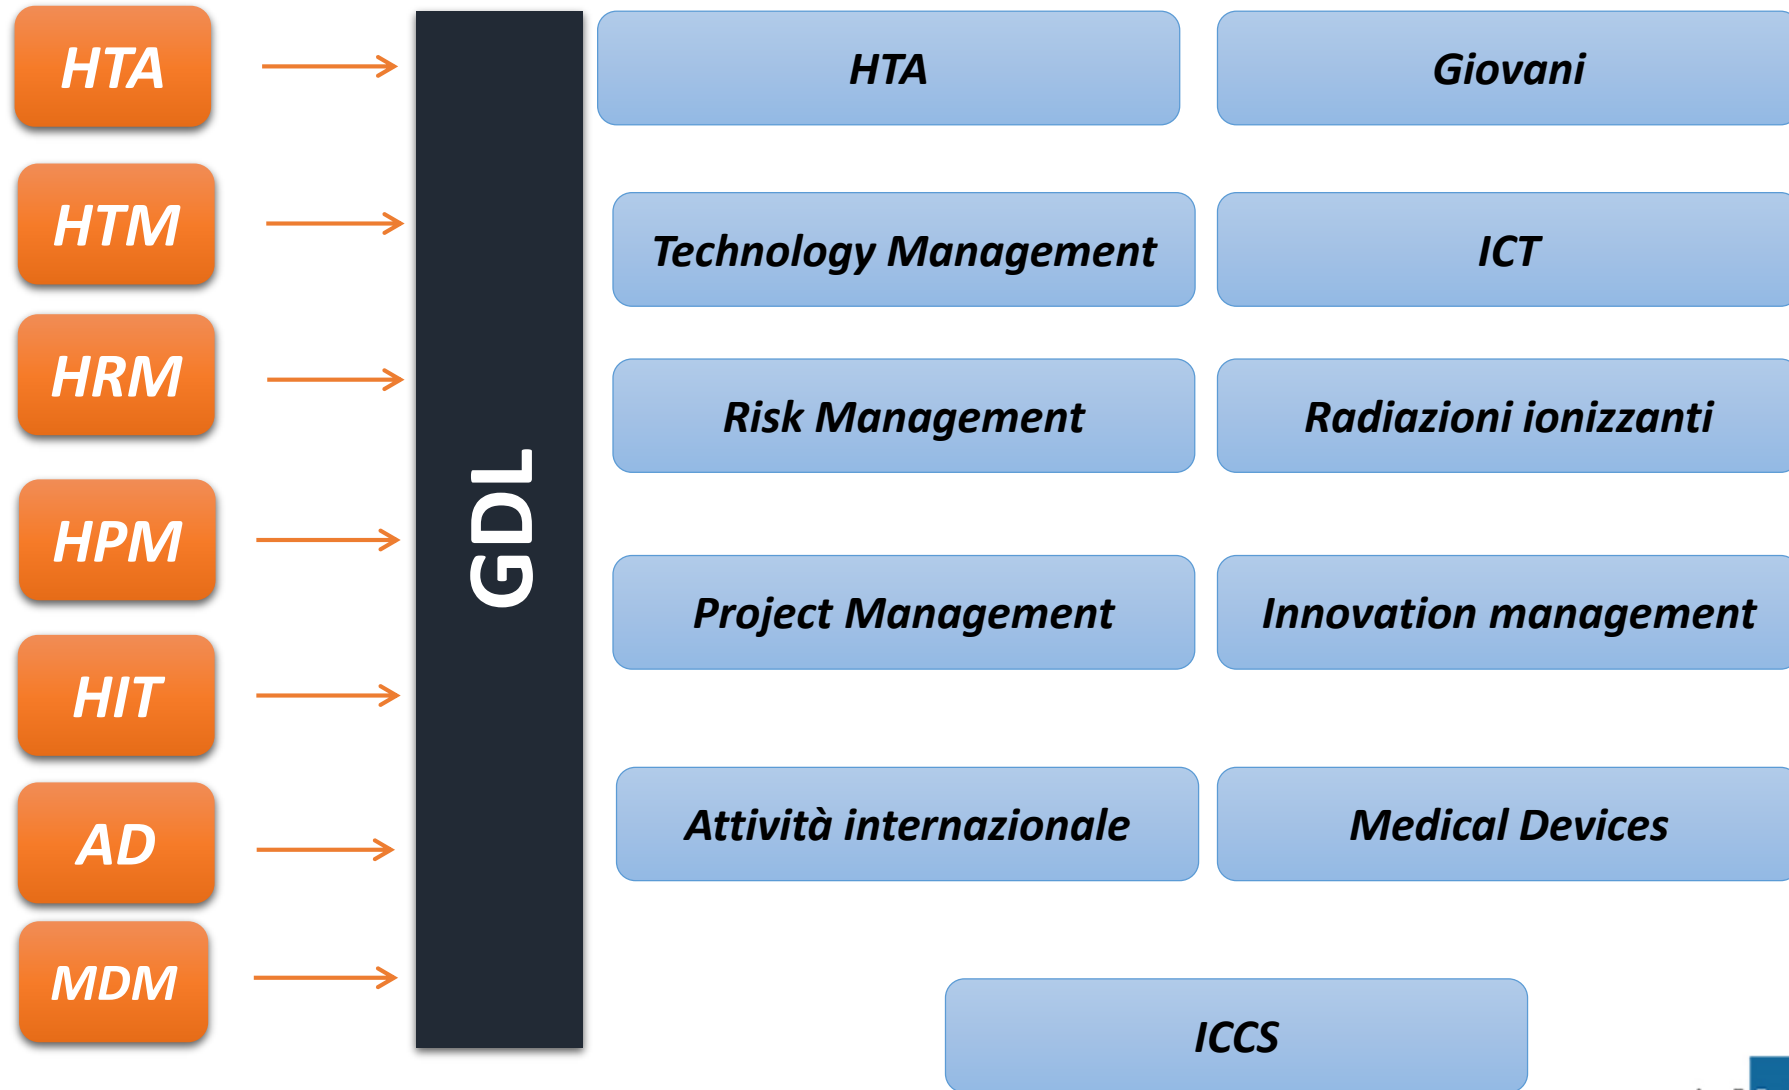

Roma, 5 novembre 2015

Attività

- Health technology Assessment
- Health risk management
- Pianificazione investimenti
- Health Project Management
- Health Information Technology
- Mobile Health
- Cooperazione Internazionale
- Apparecchiature domiciliari
- Medical Devices management
- Health Technology Management

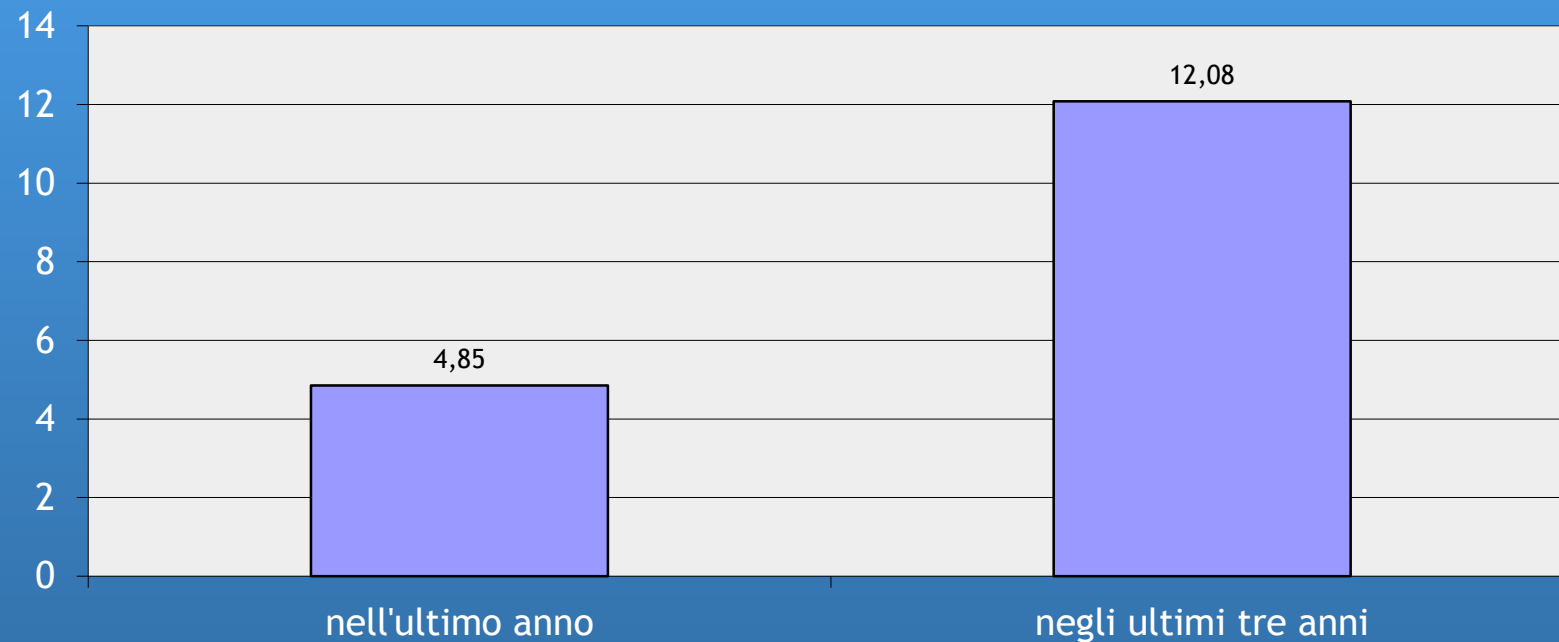

Gruppi di lavoro

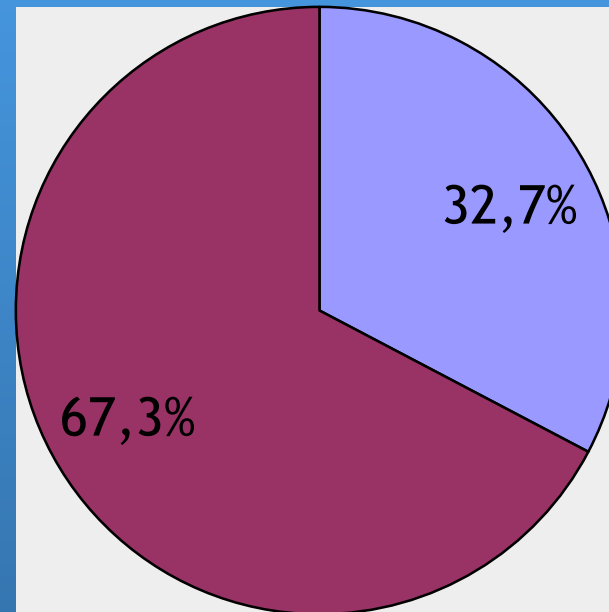

La survey AIIC sul Project Management

Richiamando la definizione di Progetto indicata dal PMI®
"una iniziativa temporanea intrapresa per creare un
prodotto o un servizio unico", quanti progetti hai seguito:

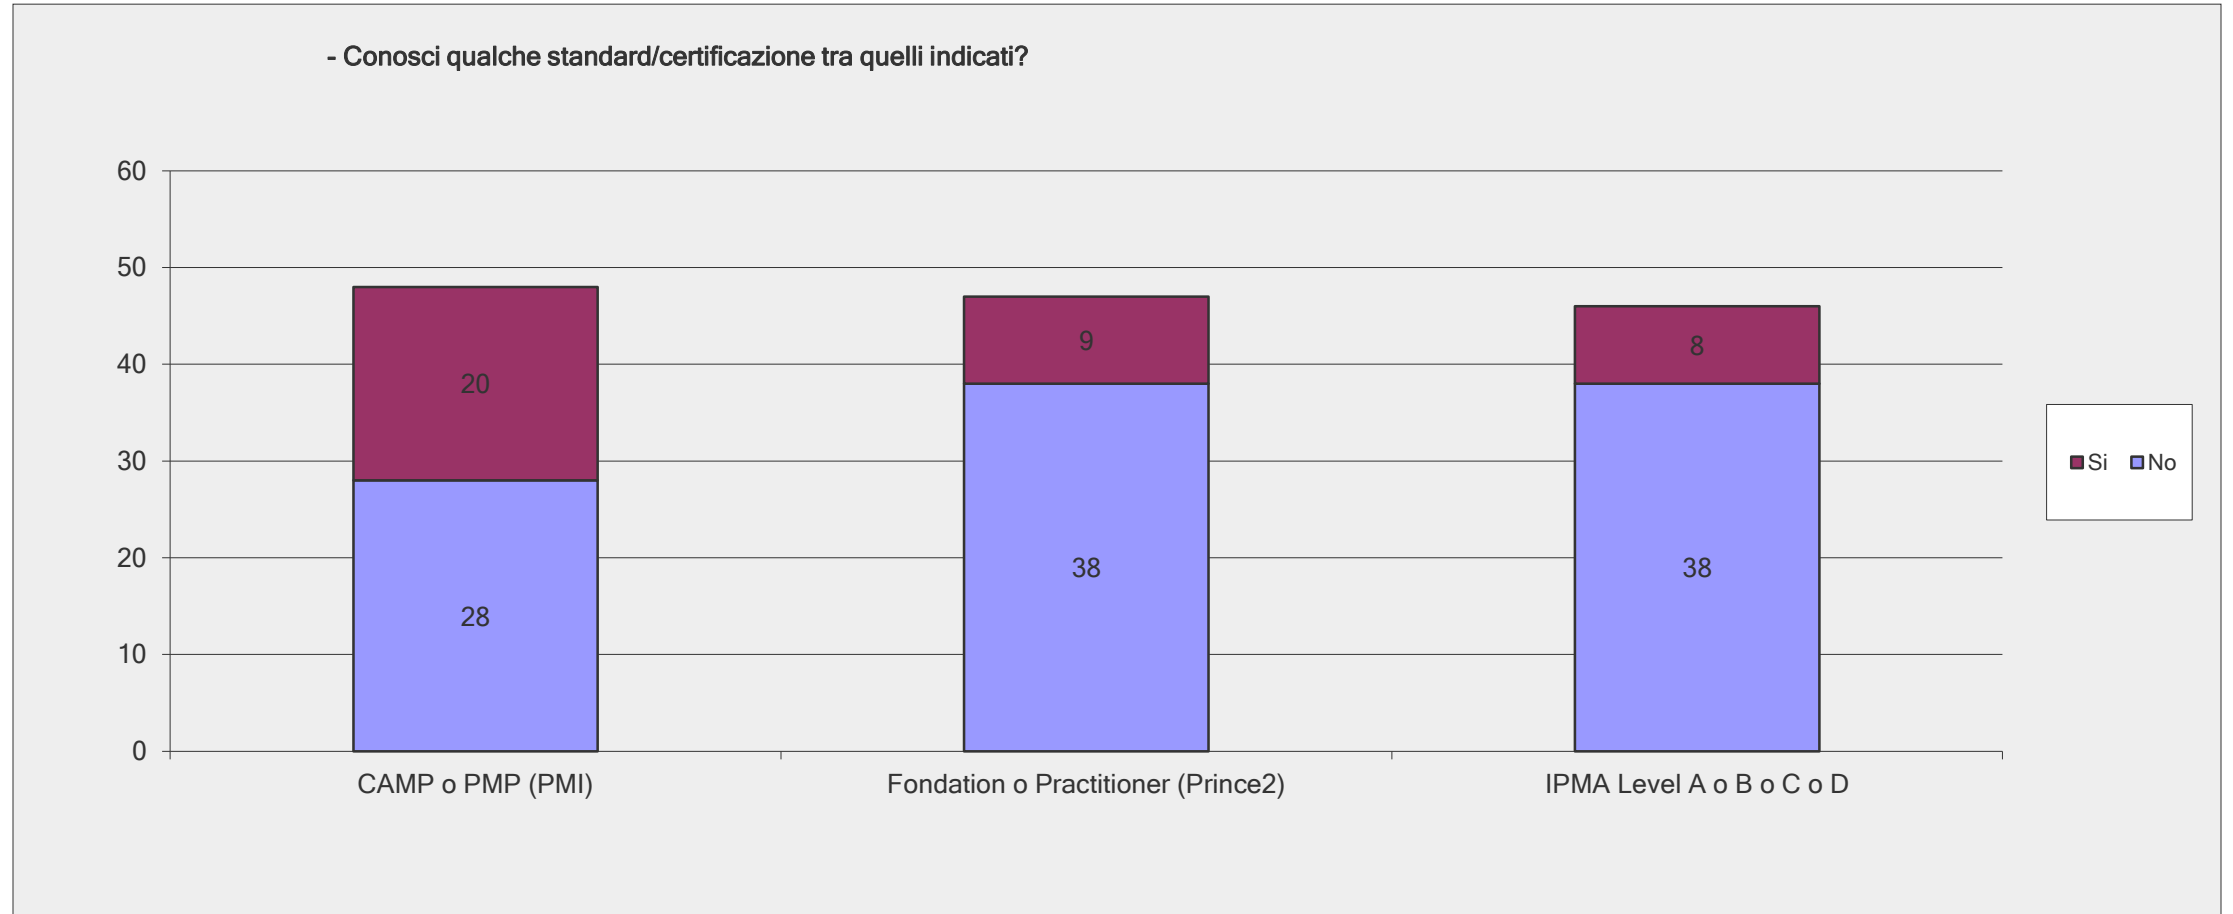

La survey sul Project Management

La tua Azienda ha un ufficio/ruolo che si occupa di coordinamento e supporto ai Progetti in corso?

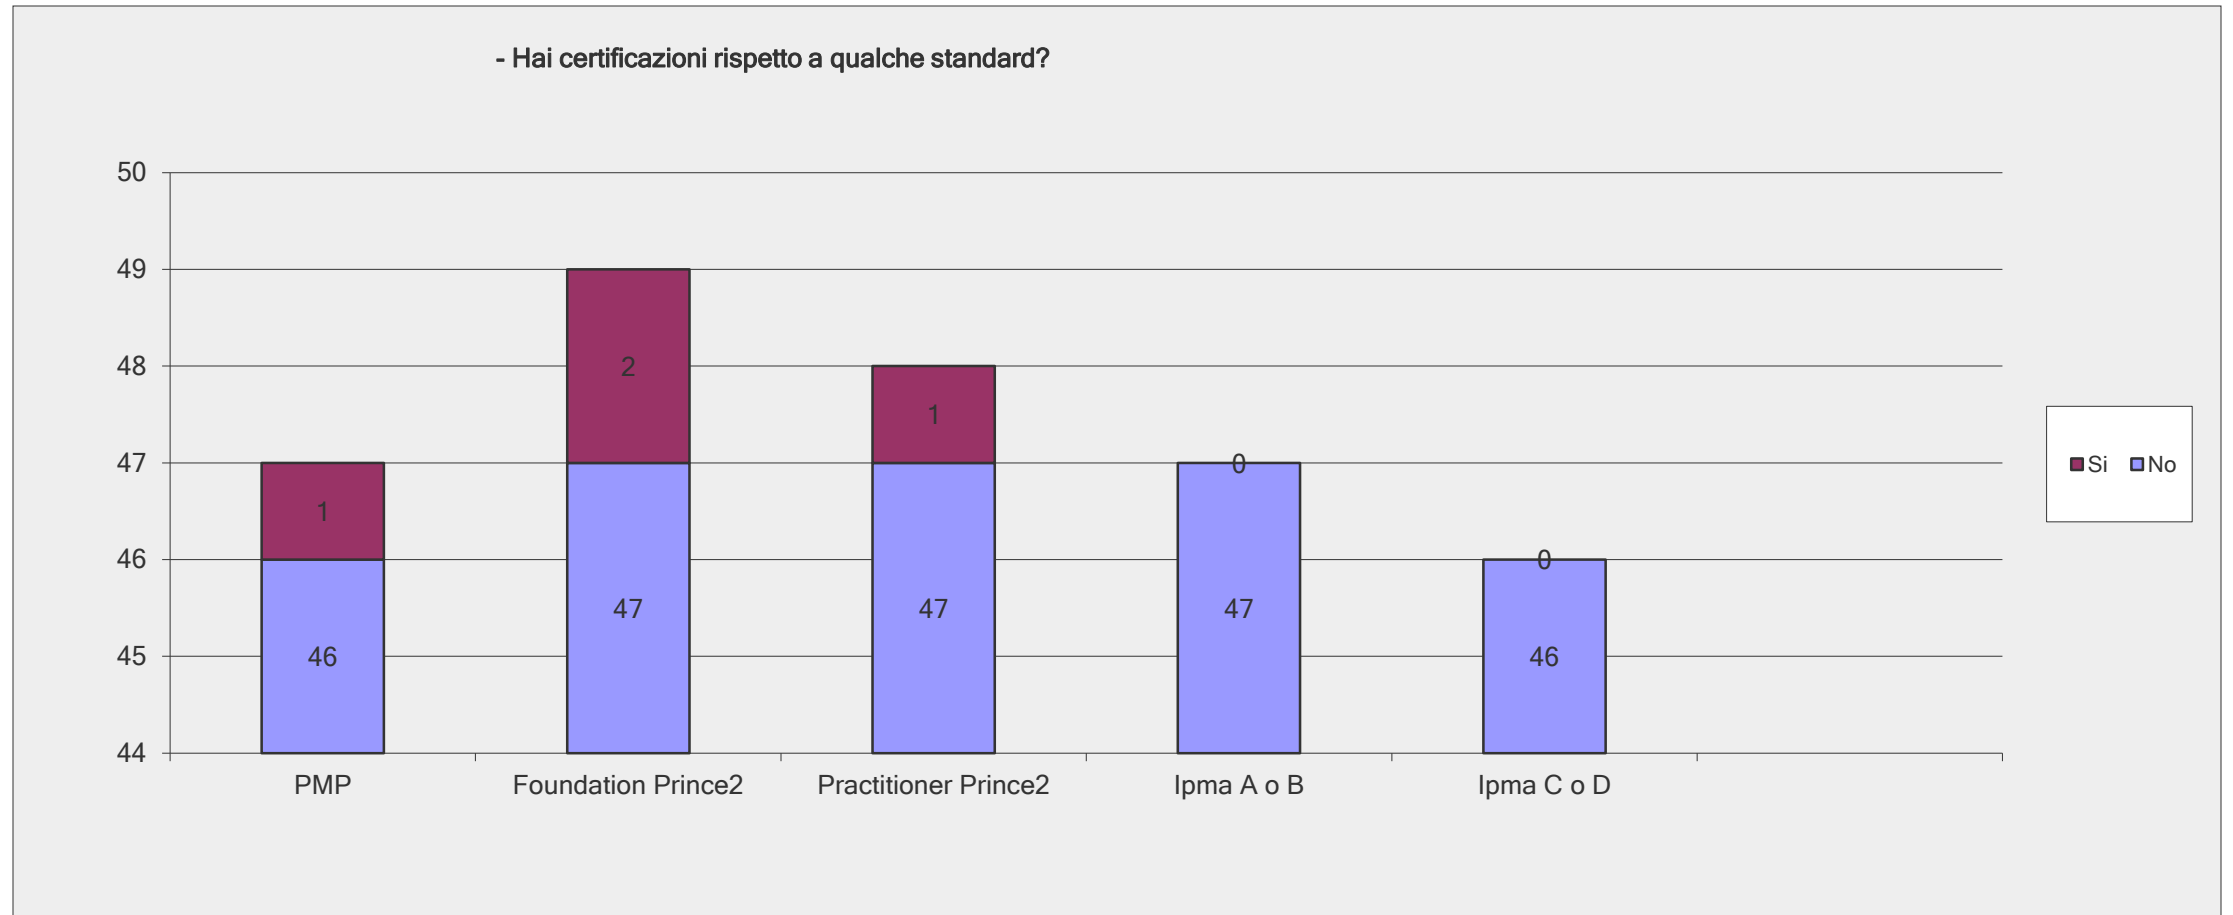

Si No

Next, we would like to know information about the type of work that you do. Please indicate, for each topic or skill listed below, its level of importance in your job.

Importance is a measure of both how critical the knowledge is to doing your job and how frequently you utilize this knowledge.

For each category below, indicate what you consider to be its degree of **IMPORTANCE** in your work

	No	Minor	Moderate	High
Technology Assessment	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Usability/Compatibility Assessment	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Product Selection / Vendor Selection	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Device Integration Planning	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Life Cycle Analysis	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Inventory Management	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Device/System Upgrade Planning	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Return on Investment (ROI) Analysis	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Healthcare Technology Strategic Planning	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Clinical Trials Management (Non-investigational)	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Capital Planning	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Project Management	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
EMI/RFI Management	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Clinical Device Use and/or Application	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Pre-clinical Procedure Set-up/Testing	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Participation in Clinical Procedures (e.g., surgery)	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
Water Quality Management	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Coordinating Device Interoperability/Interfacing	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
